SUMMARY

I am a UX Design professional with 13 years of experience in helping businesses achieve their goals - increasing conversion-engagement-experience (CEE) success metrics, enhancing org. UX maturity, and forming high-performing design and product teams. I have worked across industries including EdTech, FinTech, Data Security, Wealth Management, Social Crowdfunding, Travel, and Industrial Automation. In the last 2 years, I've achieved a 103x increase in user base in 0to1 EdTech firm using innovative design and product strategies.

Murad is a stellar professional with exceptional leadership capabilities. His keen insights into design and visionary approach make him stand out in any cross-functional team. Working with Murad has been a pleasure, and I'm continually impressed by his ability to foster collaboration and innovation. His commitment to excellence and a knack for bringing out the best in his team make him an invaluable asset. Murad's passion for design, coupled with his strategic mindset, contributes not just to projects but to the team's overall success. I highly recommend Murad for his outstanding leadership, collaborative spirit, and the positive impact he brings to every endeavor.
